## A Little Bit of History

The club formed in the 60s. Later, the name Sun Cities Power Riders was changed to **AZ PowerRiders** to better fit the club composition. The club is a diverse group of riders from across the United States and Canada. Their rides consist of all brands, including three wheelers. The only requirement is the love to ride and participate in club events. The Wednesday rides cover most parts of the state, and there are multi-day rides that reach other interesting destinations. In addition to riding, we do have social events. So why not come, and join us on the second Thursday of the month for the breakfast meeting, or for a Wednesday ride? See you soon.
